

Register and Access RBdigital Content

If you haven't already, register for an RBdigital App account—see the first two screens in the [user guide](#), in the section "Account Setup/Desktop Login" for more information.

Here's how to access RBdigital content from your mobile devices:

1. If you haven't already, download the RBdigital app in the app store.

2. Open the RBdigital app and follow the prompts.
3. Open the menu and scroll through content types.
4. Select a content type from the menu to view services.
5. Select a service and tap Access to open in a browser tab.

View our [user guide](#) for more detailed instructions on how to download and navigate the app, or contact our support team with questions.

App Updates

We have updated our mobile app to make it easier for you to use. Here is a list of some recent enhancements:

- Suggestive search—results pop up while you type your search criteria.
- Improved magazine download speed—access your favorite titles faster.
- Access to RBdigital services in one app—discover and enjoy your favorite content in one easy-to-use app.
