Preschool and kindergarten children continue their exploration of the world around them. They bring a new sense of discovery to their encounters with family and friends. They enjoy stories about familiar people and places. They like silly stories that tickle their developing imaginations. Sharing books with children in preschool and kindergarten is a wonderful way to encourage their natural curiosity and promote their lifelong reading adventures.

FICTION

Beginning Reader Level Books 1 & 2 are perfect for this age group.

A Visitor for Bear

(E BECK)

Bear's efforts to keep out visitors to his house are undermined by a very persistent mouse.

The Way I Feel (BB CAIN)

Designed to give children specific words for what they are feeling, this book helps them better understand and express their feelings.

Cinco Monitos/Five Little
